Student Certification

I understand the initial eligibility requirements of both the federal government and Monmouth College for receipt of the Federal TEACH Grant Program and the conditions for renewal of the award for future academic terms. I understand that receipt of Federal TEACH Grant Program funding in no way implies or guarantees admittance to the Teacher Education Program or admittance to the Student Teaching Clinical Experience at Monmouth College. Admittance to the Teacher Education Program and the Student Teaching Clinical Experience at Monmouth College require approval from the Educational Studies Department and/or Teacher Education Subcommittee. Criteria for admittance to these programs are subject to change and current requirements can be requested from the Educational Studies Department. I understand the teaching requirements are outlined in the Agreement to Serve and if I fail to meet the full conditions, the funds received through the TEACH Grant, including interest from the date of disbursement, will be converted to a Direct Unsubsidized Student Loan.
