Greek Awards Overview

Since 1865, students have chosen to become members of fraternities and sororities at Monmouth College. The College recognizes the important role that Fraternity and Sorority Life plays in a student's co-curricular experience. The College is committed to supporting the values and ideals of these organizations, helping them to thrive and succeed.

Fraternities and sororities were founded upon the ideals of scholarship, citizenship, leadership, brotherhood/sisterhood, and service to others. The Fraternity and Sorority Life awards process provides a means whereby the men's and women's fraternities of Monmouth College may measure their activities and programs against the founding principles of fraternal organizations. It provides a means of ensuring that the actions of men's and women's fraternities are congruent with the values articulated in their rituals and creeds.

The goal of the Fraternity and Sorority Life Awards will continue to be the acknowledgement of outstanding performance, as well as overall achievement by chapters. Chapters can be recognized in five areas to gauge how well they contribute to the mission of the College and the commitment to their founding values. The five areas are:

- A. Academic Excellence
 - 2. Academic Accountability
 - 4. Academic Education & Programming
- B. Involvement and Leadership Education
 - 1. Campus Involvement
 - 2. Greek Community Participation
 - 3. Parent and Alumni Involvement
- C. Civic Responsibility
 - 1. Philanthropy
 - 2. Community Service
- D. Chapter Education and Programming
 - 1. Risk Management Education
 - 2. Leadership Development and Educational Programming
 - 3. Outstanding Chapter Program
- E. Chapter Operations
 - 1. Chapter President Assessment Letter
 - 2. Chapter Advisor Assessment Letter

HONORING AND SUBMISSION OF AWARDS

The Fraternity and Sorority Life Awards process will continue to have award categories that serve to recognize chapters for outstanding performance. The chapter accumulating the most points overall in each minor category will be awarded the Excellence Award for the appropriate major categories(s) at the Fraternity and Sorority Life Recognition Banquet. In addition, the chapter accumulating the second most points in each minor category will be recognized with "Honorable Mention" in the corresponding minor category. The remainder of this packet details each of the six categories that make up the Greek Awards. The chapter earning the most points overall in addition to the assessment letters will be recognized with the Chapter Operations Award.

Award submissions should represent Spring 2014 and Fall 2014.

Please submit your chapter's Fraternity and Sorority Life Awards packet on plain white, 8- ½ x 11 paper, and **typed** in a standard font. Please three-hole punch all paper and materials and place in a three-ring binder. Photographs or other media are acceptable inclusions, though they may not replace the requested information. Photographs must be attached to a page or printed out. Please use the forms provided and attach additional sheets if necessary.
