### The Interfraternity Council

Dear New Fighting Scot:

Congratulations on your decision to attend Monmouth College this fall. The transition into your college years is a very exciting time, and I hope you have enjoyed your experience with Monmouth thus far. There are many great memories and experiences ahead for you.

On behalf of the Interfraternity Council, a representative body of the four men's fraternities at Monmouth College we invite you to apply for this scholarship. Fraternities can transform young men into future leaders of our generation. You will find fraternity members involved in all aspects of student life at Monmouth College helping to make this institution and our fraternity community stronger.

As part of that involvement and investment in our campus, the Interfraternity Council will present two awards of \$150 to two incoming first year students. One award will be awarded to a student who has shown profound success in academics. The second will be awarded to a man who has demonstrated himself as a leader in his extra-curricular activities and service to his community. Included with this letter, you will find the application which is **due August 26, 2016**.

I encourage you to apply for these awards—believe me, \$150 dollars is a great way to decrease the cost of books. ***Applying for these scholarships in no way requires you to join a fraternity.*** We would simply like to reward incoming men who exemplify the principles of our organizations which are essential for success through life.

Perhaps one day you will consider joining a fraternity at Monmouth College. Membership in these organizations will make a profound impact on your life, not only in college, but also throughout your professional career and beyond.

Again, congratulations on your choice to attend Monmouth College and we look forward to seeing you in the fall. If you have any questions regarding the application process or if you would like information about fraternities at Monmouth, please do not hesitate to contact us.

Sincerely,

Jack Godlewski, Tyler Altfillisch, Jaron Park, and Alex Calderon

**Application for  
the *Excellence in Scholarship* and *Excellence in Leadership* Awards**

**Sponsored by the Interfraternity Council at Monmouth College**

All first-year men are eligible to apply for the *Excellence in Scholarship* award and the *Excellence in Leadership* award. Each award winners will receive \$150. Receiving an award does not create any membership obligation; these awards are given as part of the fraternities' mission of promoting excellence in learning and leadership. This application applies to both awards. All applicants will be considered for both awards.
